

## Repeating Colours and Shape Patterns

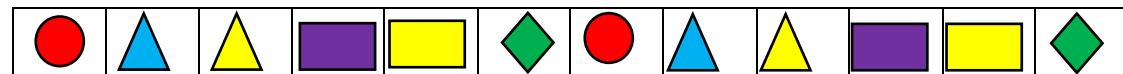

Start with 2 repeating coloured shapes. Then move on to 3 and 4 repeating coloured shapes.

### Challenge:

- 3 coloured shapes, but use one shape 2 times, e.g.

- 4 coloured shapes, but use 2 shapes 2 times, e.g.

113. The following table shows the number of hours worked by 1000 workers in a certain industry.
