

## Welcome To The Dentist!

**Here are our treatments:**

- **Band 1 - £12.70**
- **Band 2 - £32.10**
- **Band 3 - £76.30**

- 1) Emily needs to go to the dentist and have Band 1 treatment. She pays with a £20 note. How much change does will she have?
- 2) Sam needs to have Band 1 and Band 2 treatments. How much will he have to pay in total?
- 3) Timothy, his brother and his mum all need Band 1 treatment. How much will this cost?
- 4) How much change will Sandra get from a £50 note when she has Band 2 treatment?
- 5) John needs to have Band 1 and Band 3 treatment. Will £90 be enough? Why/why not?
- 6) Julie thinks that two Band 1 treatments are cheaper than one Band 2 treatment. Is she right? How do you know?
- 7) Frank has Band 2 treatment but his sister has Band 1 treatment. How much more expensive is Frank's treatment?
- 8) Claire needs to have Band 1 treatment three times. How much does she pay in total?
- 9) Luke has Band 1 and Band 3 treatment. Sonia has two Band 2 treatments. Who paid more? How do you know?
- 10) Hetty has Band 1, Band 2 and Band 3 treatments. Will £120 be enough? Why/why not?
